ABOUT

I had been taking a Bachelor Degree (S.T.) in Faculty Industrial Technology at ITENAS (Institut Teknologi Nasional Bandung) class of 2010. And then I studied at ITB (Institut Teknologi Bandung) in Faculty Technology and Industrial Management class of 2016 to get a Master Degree (M.T.).

I can be assertive and politely at the same time. Friendly and sociable are in me. I am a person who is responsible, disciplined, hard working, able to work under pressure, and always thirsty for knowledge.

MANUFACTURING SYSTEM

EDUCATION

2010 - 2015 **Institut Teknologi Nasional Bandung**
Faculty of Industrial Technology
Bachelor Degree
GPA: 3.00

2016 - 2019 **Institut Teknologi Bandung**
Faculty of Technology and Industrial-
Management
Master Degree
GPA: 3.10

EXPERIENCES

- 2010-2015 Industrial Engineering Student Association
- 2013-2014 Assistant of Jig & Fixture Material Handling Equipment Laboratory (Rule and Discipline Devision)
- 2014-2015 Assistant of Jig & Fixture Material Handling Equipment Laboratory (as a Assistant Coordinator)
- 2015-2017 Temporary Lecturer In Institut Teknologi Nasional Bandung

SKILL

- Leadership
- Teamwork
- Analytical
- Planning

PRO SKILL

- SolidWork
- Perancangan alat bantu Manufaktur
- Computer-Aided Design
